Erie Canal Videos License Pricing & Agreement

Low Bridge Productions (we, the licensor) grant a perpetual non-exclusive license to copy, edit, display and otherwise use the content of our "*The Grand Erie Canal - The Classroom Video Collection*" DVD for the fee listed below or otherwise arranged. This license applies only to the content specified, and for normal educational activities in the school district(s) included in the licensee's jurisdiction. Licensees may not sell or alter the content or its derivations, nor remove or obscure any of our identifying information.

One new DVD-R is included in the license fee. Licensees are advised to copy the files to their hard drive(s) and to maintain backups there. After the initial installation, additional replacement DVD-R's will be provided if needed at the then current personal-use rate (currently \$29.95). Additional copies for library or other use are also available at the same rate. We provide no other technical support for the use of the disk.

PRICING:

Per School District - # of school buildings*:	1-3	\$ 99.00
	4-7	149.00
	7-12	249.00

*School buildings are primary, elementary, middle, etc. Eg. Two elementary, one junior-high and a senior-high equals four buildings. Count each, whether the programs will be shown in all or not.

For districts with over 12 buildings, or all educational cooperatives and state Departments of Education, contact us for special rates for all of the schools under your jurisdictions.
